**Medical HAL registered as a medical device in Turkey  
~ Progress of medical device approval in the Middle East~**

CYBERDYNE Inc. [Tsukuba, Ibaraki, CEO: Yoshiyuki Sankai (the “Company”)] announces that its product, Medical HAL was listed in the Turkish Drug and Medical Device National Databank. This registration enables the Medical HAL to be used towards the treatment of a wide variety of diseases such as stroke, spinal cord injury, and Neuromuscular Diseases.

This registration makes Turkey the second country in the Middle East to offer treatment with Medical HAL after Saudi Arabia.
