

June 22, 2021  
CYBERDYNE Inc.

**【Event】 Exhibition at the "Society 5.0 Science Expo"**

CYBERDYNE will exhibit its products at the "Society 5.0 Science Expo" at Tokyo Sky Tree Town from July 15, 2022. The Cabinet Office of Japan and the Japan Agency for Marine-Earth Science and Technology are the organizers of this event.

This year is the first year of the Sixth Science and Technology Innovation Basic Plan. In addition to the future image of "Society 5.0" (\*1) outlined in this plan, the outcomes of SIP (\*2), ImPACT (\*3), and cutting-edge/unique technologies developed by national research institutes will be on display. The Expo also plans a "Cyber Exhibition" where people can attend the event virtually through the Internet anytime, anywhere from their smartphones or computers.

For more information about the Expo, please visit the following website.
